MEDICHIEF PREMIUM FACE SHIELD

+MEDICHIEF™
making the world a safer place

This lightweight face shield with an anti-fog coating protects the face and eyes from splashing or spraying of infectious or hazardous substances. This disposable face shield is manufactured from optically clear PET with a soft elastic strap and high density foam headband. The product can be worn with or without additional face protection, such as prescription or protective eyewear and face masks.

This protective faceshield is manufactured for COVID-protection only. This protective faceshield is not a PPE device for general use and shall not be used for purposes other than protection against COVID-19.

This protective faceshield may not be used for more than one shift. Dispose of after use.

Instructions for use

1. Remove face shield from outer packaging
2. Remove protective film from front of visor
3. Place elasticated strap around the back of head
4. Adjust foam headband to a suitable position on forehead
5. Ensure face shield is correctly positioned to provide full face protection
